INTRODUCTION	**My name is Gitonga Kanana Luckshakira, a dedicated fourth-year student pursuing Bachelor of Science in Computer Science at Dedan Kimathi University of Technology. As a passionate technology enthusiast, I am eager to contribute my skills and knowledge to the User Experience Research Assistantship 2024. I am eager to enhance my proficiency in user experience research, I am also committed to leveraging my academic foundation and proactive mindset to make meaningful contributions to your dynamic team.** **I am captivated by the intersection of technology, design and human behavior and I believe that effective UX research is the cornerstone of creating impactful digital experiences. Being part of a dynamic team that values innovation and user-centric design aligns perfectly with my career aspirations.** **My adaptability, strong networking skills, eagerness to learning as well as delivering quality products position me as a candidate ready to navigate the challenges of the rapidly evolving tech landscape. I am excited about the prospect of contributing to the User Experience Research Assistantship 2024. Thankyou for considering my application.**
